## Overview

*This document will cover the setup and usage of the Master Gold Standard Demo in Heartland Restaurant.*

## Contents

### Menus Available

The Master Gold Standard Demo has incorporated a collection of the standard dealer demos into a single demo. Please refer to the list below for the menu types contained within the Gold Standard Demo.

- Bakery
- Burger
- Chinese
- Deli
- Ice Cream
- Italian
- Liquor
- Pizza
- Steakhouse
- Taco

## Setup

To Copy the Master Gold Standard Demo Navigate to the Admin Portal. Select **Accounts** in the left panel then choose **New Demo Account** enter a name for the account, use the **Copy Database from Existing Location** dropdown to select the GSD - All demo. Finally you can choose to copy the **Menu Only, Setup Only** or **Both**. Please see the database copying document for more detailed information. .

This is laid out in more detail in this linked [copying database document](#).

After the data is copied to a dealer account you will login with your Dealer's user to the application, at the "How will this device be used?" screen Select **Point of Sale**, then select **Permanent**. Now scroll to or search the name you created the location with when you copied the Gold Standard Demo.

## Usage

### Menu Usage

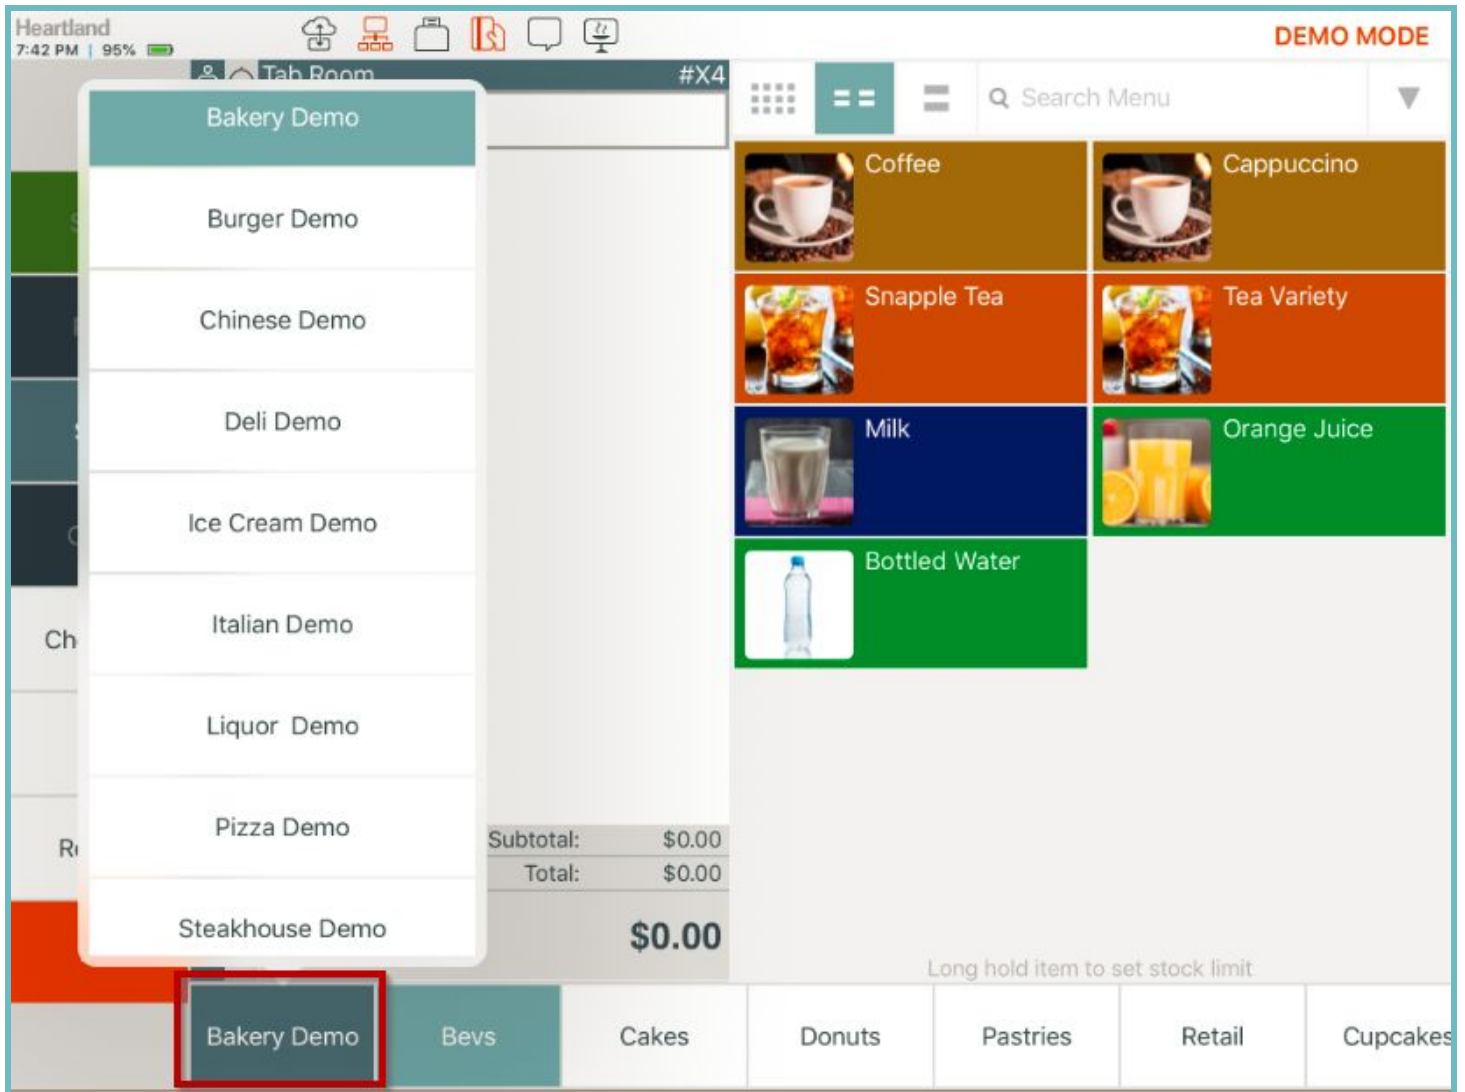

Each demo database has been broken down into an individual **Menu Group**, the menu group contains each **Section** to categorize your **Items**. Each menu group data set contains a full database of a restaurant type.

Once the menu has been added to your reseller account, you can login with your User and Staff members.

The Staff created all have different permission sets and jobs.

Job/Staff	Staff Pin	Unique Settings
Manager	0	Full Access, Salary
Cashier	1	Assigned Drawer & Only View Other's Tickets
Bartender	2	Any Cash Drawer & Edit Others Tickets
Server	3	Server Bank
Kitchen	4	Clock In Only
Maître D'	5	2 Job Types (Cashier & Manager)

To select each menu demo set you will pin-in with a staff member above, select a Room then, enter the Ticket screen. Select the bottom left button Menu Group button to see demo menu lists.

## Features Included

The full gamut of Heartland Restaurant features have been included throughout the Gold Standard Demo.

The data contained in the Gold Standard Demo databases examples features such as: weighted item, custom tenders, item images, demo logos, item descriptions, adjustments, discounts, promo codes and attributes assigned to items.
