

Thank you for choosing Goji Systems

We understand how important the right technology solution is for your business. So we want to let you know that we're excited to work with you to deliver great customer experiences. With that spirit in mind, we'd like to make your onboarding, implementation, and management experience as smooth and easy as possible.

So let's get started!

Below is a checklist of assets we'll need to kick off your project.

☐ HR POS

- ☐ API KEY
- ☐ Order Type Id's (eat in, to go)
- ☐ Tender Id's (Visa, Mastercard, Amex, Discover, Gift, Cash)
*you may use the same one if you do not want to differentiate in reporting.
Please make sure the tender ID is set to external.
- ☐ Url & Access to HRPOS Portal
Please configure username Goji + (Brand Name) under the menusetup@gojisystems.com email account.

Example: Brand Name = PizzaBistro
Username = Goji PizzaBistro

☐ Credit Card Processor and/or Gift Card Processor

- ☐ Var Sheet / Setup Sheet - Mid configured to DataCap

☐ Loyalty Service (if applicable)

☐ Design & Images

Please review and follow our design guidelines. It should be able to provide a quick and easy way to gain context and design images that can make your kiosk experience awesome.
